City Manager  
City Hall

Dear Mr. Graves:

We have done a cost evaluation on the upcoming Social Security Tax increase and the Federal Wage hourly increase and now know that we will have to increase our ambulance base rate from \$50.00 to \$55.00.

We feel that the increase of five dollars per ambulance trip will help defer the cost to our company. With approximately 3,200 ambulance trips per year, this will increase our gross revenue to \$16,000.00. Then, with a write-off factor from Medi-Cal, Medicare and bad debts to be about 39%, we will receive \$9,760.00 in net revenue to assist the company with the new increase in federal programs.

At this time, we are giving written notice to the City of Lodi that within 30 days the now existing Lodi Ambulance Service base rate of \$50.00 will be increased to \$55.00.

Sincerely yours,

LODI AMBULANCE SERVICE, INC.
